- 2.2 Basic services are generally regarded to be access to electricity, access to clean water within a reasonable distance of one's dwelling, basic sanitation, solid waste removal and access to and availability of roads.
- 2.3 The Constitution recognises Local Government as a distinct sphere of Government and as such also entitles Local Government to a share of nationally raised revenue, which will enable it to perform their basic function of providing essential services to the community within their boundaries.
- 2.4 The key purpose of an indigent subsidy policy is to ensure that households with no or lower income are not denied a reasonable service, and on the contrary the Municipality is not financially burdened with non-payment of services. Provided that grants are received and funds are available, the indigent subsidy policy should remain intact.
- 2.5 To achieve the purpose it is important to set a fair threshold level, and then to provide a fair subsidy of tariffs.

**MATJHABENG LOCAL MUNICIPALITY

- 2.6 The customer, in order to qualify as an indigent, needs to complete the necessary documentation as required and agree to regulations and restrictions stipulated by Matjhabeng Municipality.

3. PURPOSE OF THE POLICY

The purpose of this policy is to ensure that the subsidy scheme for indigent households forms part of the financial management system of Matjhabeng Municipality and to ensure that the same procedure is followed for each individual case.

4. POLICY PRINCIPLES

- 4.1 It is against the above background that the Matjhabeng Municipality undertakes to promote the following principles:-

- 4.1.1 To ensure that the portion for free basic services allocated as part of the equitable share received annually will be utilised for the benefit of the poor only and not to subsidise rates and services charges of those who can afford to pay;
- 4.1.2 To link this policy with the Municipality's Integrated Development Plan (IDP), Local Economic Development (LED) initiatives and poverty alleviation programmes;
- 4.1.3 To promote an integrated approach to free basic service delivery; and
- 4.1.4 To engage the community in the development and implementation of this policy.

5. POLICY OBJECTIVES

In support of the above principles the objectives of this policy will be to ensure the following:-

- 5.1 The provision of basic services to the community in a sustainable manner within the financial and administrative capacity of the Council;
- 5.2 The financial sustainability of free basic services through the determination of appropriate tariffs that contribute to such sustainability through cross subsidisation;
- 5.3 Establishment of a framework for the identification and management of indigent households including a socio-economic analysis and an exit strategy;
- 5.4 The provision of procedures and guidelines for the subsidisation of basic charges and the provision of free basic energy to indigent households;
